SCOPE OF SERVICE

Chris Lee & Partners is a Broker of investments (shares, bonds, notes etc) and a Financial Adviser to the public for investment decisions (Authorised Financial Adviser). Our investment focus is predominantly on products that will be self-managed and as such we do not perform research on fund managers.

CLP does not offer financial advice on financial planning, debt (mortgages) or insurance. We do not offer Discretionary Investment Management services.

The service types that we will provide, as defined in the Financial Advisers Act are:

SERVICE	ANNUAL FEE	DESCRIPTION
Broker	NIL	This is a deal execution service and <u>does not</u> provide 'Financial Advice', although a broker service may follow some form of advice (below).
Class	\$391	This service <u>does</u> provide 'Financial Advice' but may do so <u>without</u> completing 'suitability analysis' (a full survey of a client's financial circumstances, financial needs, financial goals and tolerance for risk). We expect the majority of our client service to fall into this category.
Personalised	\$862.50	This service <u>does</u> provide 'Financial Advice' and does so based on 'suitability analysis' (a full survey of a client's financial circumstances, financial needs, financial goals and tolerance for risk). We will issue a survey to such clients and retain responses on our database to support the 'Financial Advice' provided to the client. The client will have access to the Personalised Service for 12 months. A new invoice will be issued every 12 months along with a request for updated information.
Wholesale	\$391	Some clients with large portfolios (net assets over \$1 million in one account) may fall into this category which is not covered by the Code of Professional Conduct. Wholesale clients may choose to 'opt out' of the wholesale category and thus be covered by the Code. Some clients who assess themselves as skillful enough to make their own assessments of value and risk may be <u>self-classified</u> as 'Eligible Investors', meaning that irrespective of the size of their wealth they wish to make their own decisions and receive advice outside the framework of the Code.

Brokerage is charged on all secondary market transactions and on some Initial Public Offers (IPO) if the offeror does not pay brokerage on the investment being offered to the public.

**Please sign and return the agreement relating to the service selected.
The Agreements are contained within the New Client Pack.**

Broker Service Agreement

Chris Lee & Partners (CLP) provides *Broker Services* (**excluding *Financial Advice***) to clients without advice fees. (Brokerage may occur on transactions). If you prefer to receive only a *Broker Service* advice please read the following, then sign and return the agreement to us.

Financial advice is defined by the Financial Advisers Act (FAA) as 'A person gives financial advice if they make a recommendation or give an opinion in relation to acquiring or disposing of (including refraining from acquiring or disposing of) a financial product.'

Our *Broker Service*, described in the Financial Service Providers (Registration and Dispute Resolution) Act (FSPR), does **not** provide '*Financial Advice*' as defined by the FAA.

A Broker Service can include the following:

- Access to all new investment offerings;
- Buying and selling of all securities (shares, stocks, bonds, notes, preference shares, convertible notes etc);
- providing information (for example, the cost or terms and conditions of financial products);
- Client appointments;

Class Service Advice or *Personalised Service Advice* are available to clients, subject to payment of an annual fee should they wish to change the service type sought from Chris Lee & Partners Ltd. We encourage investors to consider the value of '*Financial Advice*' when deciding which service suits them best.

A full copy of the Code of Professional Conduct is available on our website www.chrislee.co.nz

We recommend that you review your investments regularly.

I instruct Chris Lee & Partners, plus its AFA staff, to provide me with a *Broker Service* only and not to provide *Financial Advice*, as defined in the FAA. I acknowledge the advantages available to me under a *Personalised Service* and confirm that explanation under Code Standard 9 (basis of service) is not required.

I understand that all investment involves the risk of loss and that there is a relationship between risk and reward.

I confirm that I have received, and understand, your disclosure statements. I understand the scope and basis of business on offer.

No payment required.

Financial advice is defined by the Financial Advisers Act (FAA) as 'A person gives financial advice if they make a recommendation or give an opinion in relation to acquiring or disposing of (including refraining from acquiring or disposing of) a financial product.'

- Free access to website articles on our website www.chrislee.co.nz (or by email),
- Access to our restricted web page clients receiving a *Financial Advice* service only;

A *Class Service* allows a financial adviser to provide *Financial Advice* without the requirement of a full suitability analysis. We are obliged to highlight the limitations of a *Class Service*, specifically that requirements of Code Standard 8 and 9 (suitability analysis, basis of service) will not be applied. To be clear, this means CLP will never provide a **Personalised Service to a client who chooses a **Class Service** and thus the **Financial Advice** will not factor in their personal financial situation and goals (any one, or more, of them), or be based on personal financial knowledge that we may hold.**

A full copy of the Code of Professional Conduct is available on our website www.chrislee.co.nz

We recommend that you review your investments regularly. We are happy to assist, when asked. We encourage you to read our website articles and quarterly printed newsletters as part of your review process.

I acknowledge the advantages available to me under a *Personalised Service* and confirm that explanation under Code Standard 9 (basis of service) is not required. I further acknowledge that if I do not pay a service fee, when due, that my service level will be recognised as a Broker Service from that point.

Personalised Service Agreement

Chris Lee & Partners (CLP) provides *Personalised Services (Financial Advice)* to clients who request this service. A fee will be charged annually (\$862.50 including GST currently) and clients are required to complete a full information survey for us.

If you wish to receive *Personalised Service* advice please read the following, then sign and return this agreement to us. We will send a survey and invoice to you. This cost is usually tax deductible.

Financial advice is defined by the Financial Advisers Act (FAA) as 'A person gives financial advice if they make a recommendation or give an opinion in relation to acquiring or disposing of (including refraining from acquiring or disposing of) a financial product.'

Code Standard 8 requires that when financial advice is given as part of a *Personalised Service* it must be done so on the basis of a suitability analysis including an up-to-date understanding of the client's financial situation, financial needs, financial goals (one or more), and tolerance for risk. After the initial thorough review and provision of financial advice it is likely that regular ongoing contact will be recognised as 'Limited Personalised Advice' on the basis that it usually involves only incremental change to the portfolio.

I acknowledge that if I do not pay a service fee, when due, that my service level will be recognised as a Broker Service from that point.

The CLP basis and scope of service is defined in our Secondary Disclosure Statement.

Wholesale Client Agreement

Some investors may fall under the category of 'Wholesale Client' or may choose to be defined as such. A wholesale client has fewer rights than a retail client. We encourage you to understand the difference and make a conscious decision about whether or not you wish to be regarded as a wholesale client. A fee will be charged annually, \$391.00 incl. GST currently

Section 5C of the Financial Advisers Act defines 'Who are wholesale clients' in respect of a financial adviser or broking service. We have extracted the following definitions that we think may be relevant to you:

- A person whose principal business is the investment of money or who, in the course of and for the purposes of the person's business, habitually invests money;
- An entity to which at least 1 of the following applied at the end of each of the last 2 completed accounting periods:
 - (i) at the balance date, the net assets of the entity exceeded \$1 million: or
 - (ii) the turnover of the entity for the accounting period exceeded \$1 million:

NOTE: An entity is not a natural person. However this section is likely to capture many clients who invest through trusts, partnerships or company structures.

- An eligible investor (explained below)

A client is an eligible investor if: (Section 5D of the FAA)

- (1) The client certifies in writing that:
 - the client has sufficient knowledge, skills, or experience in financial matters to assess the value and risks of financial products and the merits of the service or services to be provided; and
 - the client understands the consequences of certifying himself, herself, or itself to be an eligible investor (including that the competency standards and requirements of the code will not be applicable (if relevant) and that the financial adviser or broker may not be a member of an approved dispute resolution scheme); and
- (2) The client states the reasons for this certification; and
- (3) A financial adviser, or a broker, signs a written acceptance of the certification in accordance with section 5E of FAA.

A Wholesale client can opt out of being categorised as such by:

- (1) A person may opt out of being a wholesale client, in relation to a financial adviser or broker, by giving the financial adviser or broker a signed notification to that effect.
 - A notification may be specific to a particular service, or class of services, or may be general for all services provided by the financial adviser or broker to whom it is given.
 - A person may vary or revoke a notification in the same way as the notification may be given.
 - A notification (or variation or revocation of a notification) under this section is effective only in relation to services provided after it is given.
- (2) This section does not apply if a person is a wholesale client by reason of being an eligible investor.

I declare that I am a wholesale client on the basis of:

a) having \$1 million, or more, of assets; **b)** being an Eligible Investor; or **c)** being a Habitual Investor.

Please make an election (Delete One): I wish to be served as / I wish to opt out of : wholesale client status

I confirm that I have received, and understand, your Primary and Secondary disclosure statements. I understand the scope and basis of business on offer.

It is important that you read this document: This information will help you to choose a financial adviser that best suits your needs. It will also provide some useful information about the financial adviser that you choose.

Type of Financial Adviser and Product: Authorised Financial Adviser. I have been authorised by the Financial Market Authority to provide Financial Advice services.

We provide information and advice on investments, including debt and equity securities, unit trusts and managed funds. We do not provide advice on direct property investments, insurance, debt, budgeting, tax or estate planning.

Financial Adviser Services (Scope, basis and philosophy): our business offers information, analysis, 'Broker Services' without fees. Our AFA's (Michael Warrington – MW, Chris Lee – CL, Kevin Gloag – KG, David Colman – DC, Edward Lee – EL) will offer 'Class Services' and 'Personalised Services' which will incur a fee. We are required to draw readers' attention to the limitations of a *Class Service* as not being a *Personalised Service* in the Code of Professional Conduct and Financial Advisers Act 2008. The Code is available on our website.

We consider our duties to be; providing clients with all information necessary to support their investment decisions, offering suitable financial advice when sought, helping clients to understand their tolerance for risk, providing access to investments. Investment performance is not one of our duties. We do not guarantee, nor underwrite, the success of any investment (see Disclaimer).

Our philosophy is that investors should seek high levels of cash flow from their investments especially when approaching, or in, retirement. Accordingly we encourage high proportions of fixed interest investments in a portfolio or shares with reliable and attractive dividends until an investor comfortably has more cash flow than required. Thereafter a higher level of investment risk may be tolerable. We do not preach Modern Portfolio Theory, or that all things will come right in the long term, and thus our recommendations will differ from some of our peers.

We believe in keeping client costs to a minimum and thus are not significant users of managed funds due to relatively high annual fee expenses for the client. We believe self managed investment is appropriate for most investors until age restricts their willingness to manage investments, or if they include products where third party expertise or extensive diversity is sought. As a result we do not use fixed interest fund managers. Our Portfolio Administration Service caters for those who no longer wish to receive the investment paper work at their homes.

We recommend that you review your investments regularly. We are happy to assist, when asked. We encourage you to read our website articles and quarterly printed newsletters as part of your review process.

All investment involves the risk of loss and that there is a relationship between risk and reward.

Material interests, relationships, or associations: CLP is owned by the Lee Family Trust (51%), Kevin Gloag (16%) and Warrington Family Trust (33%). We have no agency agreements, or sales commitments, but have formal agreements with two NZX firms for clearing NZX transactions. Our advisers have personal investments and we will disclose these upon appropriate request or when a perceived or real conflict of interest exists. We avoid conflicts of interest by disclosing all forms and amounts of revenue to clients. We occasionally receive gifts from clients and product providers with relatively low values that do not influence our business process.

Remuneration: I receive salary payments plus dividends based on the performance of CLP.
